

## **REPRESENTATIVE DRIEHAUS ANNOUNCES NEARLY \$1.4 MILLION IN RECOVERY ACT FUNDING FOR GREATER CINCINNATI HOSPITALS**

**WASHINGTON, DC**—Representative Steve Driehaus today welcomed an announcement by the U.S. Department of Health and Human Services of \$1,392,708 in American Recovery and Reinvestment Act (ARRA) funding for hospitals in Cincinnati. Three grants will support research efforts at Cincinnati Children's Hospital Medical Center and the University of Cincinnati Medical Center.

"The Recovery Act has brought a tremendous amount of needed resources into greater Cincinnati, and this latest example will help some of our best hospitals continue their cutting-edge research. These investments are critically important as we continue to combat this recession and put our economy on the path toward recovery," said Rep. Driehaus.

According to HHS, three grants totaling \$1,392,708 have been awarded for medical research efforts at Children's Hospital Medical Center and University of Cincinnati Medical Center. The funding was made available by the ARRA and awarded as part of the National Institutes of Health (NIH) funding for biomedical research and research training at more than 3,000 institutions in the United States.
